Sir:

The following changes to the specification are to enhance the readability thereof and to correct some minor errors therein. No new matter has been added.

In the specification:

Page 3, line 21, insert --tank-- after "a".

Page 4, line 2, delete "mercury", line 3, delete "tank".

Page 6, line 5 add --oven-- before mercury, delete "materials", change "," to ---; line 6, add --partially broken--

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Box ISSUE FEE, Assistant Commissioner for Patents, Washington, D. C. 20231, on this December 8, 1998.

Signed:

Robert H. Washburn

Dated:

Dec. 8, 1998
